The First of Four
Teleconferences on MDS 3.0

Title: Getting Ready for the MDS 3.0

Date: Thursday, March 18, 2010

Time: 1:30-3:30 MDT

Teleconference number: 1-877-326-0011

Access code: *8291865*

Objectives:

- **Understand the changes between the MDS 2.0 and MDS 3.0**
- **Understand the timelines for implementation**
- **Discuss setting priorities for implementation**

Presenter: Sheryl B. Rosenfield, RN, BC, RAC-MT, Director Clinical Services for Zimmet Healthcare Services Group, LLC. She is a nationally recognized MDS expert who works as a consultant to The Centers for Medicare and Medicaid Services (CMS) for projects relating to MDS accuracy and integrity. Sheryl has been invited to be a part of the CMS National Train-the-Trainer course in April 2010. She was a writer in the 2003 Satellite Broadcast on Quality Measures and a presenter in the 2004 Satellite Broadcast on MDS ADL Accuracy. She is a founding member of AANAC, a national association for MDS Coordinators, and services as one of the master trainers for their nationally recognized assessment certification program. She is an editor for the AANAC and other national MDS newsletters. Sheryl provides training programs for many state associations and continues to work with providers from all over the country.
